Dear Dr. Norwood:

My prayers and thoughts are with you as you remember the victims and survivors of the tragedy of Jonestown on the twenty-fourth year anniversary of that terrible day in Guyana. I am honored to once again be asked to share in this day of remembrance.

It is a privilege for me to recognize your efforts as well as those of the staff and volunteers of the Guyana Tribute Foundation whose compassion and dedication is truly commendable. Your work will help insure that we will never forget the victims of Jim Jones and continue to honor the memories of those lost.

Again, you are in my thoughts.

With warmest personal regards.

Sincerely yours,
